June 14-26; July 19-31; October 18-30

Greetings,

Thank you for your interest in the trips I lead to Brazil for healing with the miraculous medium João de Deus, John of God. I am writing to inform you about scheduling and other specifics.

It is a privilege to be of service to those seeking healing from John of God. He is world renowned for his documented paranormal healing ability. This dedicated man has spent 46 years healing thousands of people weekly as the channel for over 30 different Entities that perform spiritual healing. His work is free of charge and no one is ever turned away.

I believe John of God is one of the most powerful spiritual healers alive. The Entities that John of God incorporates perform invisible and visible surgeries. The latter are done with a scalpel or knife without anesthesia or antiseptic yet no one has ever had an infection or complications from his work. The healing Spirits so completely take over his body and mind that he typically remembers nothing of what happened during the profound trance. People from all over the world visit him, from all walks of life, with all conceivable ailments, many diagnosed as terminal or incurable. He is one of the most scientifically studied healers and has a remarkable documented cure rate of 85%.

Since my first visit and healing, when I received permission to bring groups to him, my commitment to John of God and his mission has deepened immensely. On each of my subsequent trips escorting groups to João's healing center in Abadiânia Brazil -called the *Casa de Dom Inácio de Loyola*- I have witnessed first hand the miracles of the Spirit Entities and the love and powerful energy that flow through this man. It is an honor to be considered by the Entities as a member of the Casa Family of mediums -*filha da Casa*- a daughter of the Casa.

The members of each of my groups experience profound transformation on a physical, spiritual and emotional level. The Casa gardens and current rooms draw participants into prayerful meditations reported to bring spiritual guidance, serenity, strength and hope. Many who received visible and invisible surgeries for serious medical problems experienced remarkable healings. Trips to the Casa sacred waterfall cleanse and renew us as we connect with the Spirits of nature and Earth-energy of this land. And as participants open their hearts and minds to the ever-present Divine energy, many state that old emotional wounds were finally healed. The magical and mystical experiences members have at the Casa, resting in their hotel rooms, and walking the trails and streets of Abadiânia attest to this. (See web site for photo of one of our group participants who received a physical surgery while meditating in the hotel room during Casa hours: <http://www.healingquests.com/pages/about1.htm>).

I am Brazilian, fluent in Portuguese, and lived for 30 years on a ranch just 200 miles from Abadiânia. I am well versed with the customs and traditions of the people in this area and have forged wonderful supportive relationships with the Casa and hotel staff. This region is my soul's home and I would love to share its beauty with you. I will personally

facilitate all aspects of the trip while we are in Brazil including translation, food and lodging, ground travel, and spiritual counseling. The continued guidance and support I receive from the Casa family, the Entities, and John of God has shown me how my background and skills have prepared me for this sacred work.

2010 Tour Costs

Two-week tours are \$1600 and include a day trip to Brasilia; one-week tours are \$1300 (no day trip). Two week tours start on Monday and end on Saturday; **one week tours are available the first week of each tour and are from Sunday to Sunday**. There are a few single rooms available for each tour at the additional cost of **\$175 per week**. However you must check with Rosa Haritos (below) about availability as we process this on a first come first serve basis. **Please include a separate check for the single supplement if you have been told it is available for your requested tour.**

Payment Procedures: How to secure a space for a tour

Rosa Haritos will be handling all details for your journey. She can be reached by phone or email at (303) 482-2789 and rosa@healingchannels.com.

I require a \$500 deposit to reserve your space in any of the tours (\$300 non-refundable). Once deposit is received, Rosa will email the application packet to you. **The schedule for payment of the balance is as follows:** December 4 2009 for both January tours; February 1 for March 1 tour; February 22 for March 29; May 10 for June; June 14 for July; September 13 for October tour.

Both checks (deposit and balance) are to be made out to Healing Quests LLC and **MUST BE SENT USPS PRIORITY MAIL with delivery confirmation to Rosa Haritos, PO Box 19470, Boulder Colorado, 80308**. As this is a PO Box, you cannot send FedEx or DHL express delivery- it shall be returned to you.

In the memo of the check please write “John of God/month trip” and indicate whether it is for 1 or 2 weeks. The next step is to send Rosa an email with subject heading “**Confirmation for Trip**” when you mail in your deposit. In the email text include the following information:

- Date of the tour you will be attending and if it is for 1 or 2 weeks
- Your contact information: phone, email, and mailing address

- Your passport number

Upon receipt of your email an application packet will be mailed to you. The packet includes:

- Cover letter with instructions- including instructions on how to fill out Visa form
- A single page application
- A state of health form (must be notarized)
- A release form (must be notarized)

Please note that as of September 2009 the Brazilian Consulate has mandated that all visa forms must be completed online. If you decide to use Travel Visa Pro, which is included in our packet, follow their directions on how to complete visa process. Fill out the application, state of health and release forms and return them to Rosa. **You must use USPS priority mail** so you can track these items in case they are lost in the mail. You can find a notary (for health and release forms) at your local bank. Please note that your application will not be processed until all forms are completed and received. If you are

sending forms and payment AFTER your tour's deadline, then you must FedEx the forms and payment to Rosa- DO NOT USE certified mail or any other service that requires signature confirmation. WAIVE signature confirmation for FedEx- otherwise, the packet will be returned to you.

Airfare, Visa, Reservations for Naoum Plaza

My travel agent, Katia Kobak at Discover Brazil Tours, specializes in discount fares to Brazil and is well versed with the appropriate routes and arrival times into Brasilia. She can be reached by phone/ email: (800) 524-3666 or email katia@discoverbraziltours.com; if you live in the greater Miami area call (305) 382-9443. Tell her you are interested in Heather Cumming's Abadiânia-Brasilia Tour and provide your trip dates.

If you choose to book your own airfare, your arrival and departure times must match those of the tour. We suggest that you arrive on the Sunday before the tour begins but if you choose to arrive on Monday, you must arrive in the morning on or before 10:30am. For departure, you must have an evening flight- 6pm or later. This way we can ensure you will travel with our bus. **If you arrive at other times you will have to pay for your own transportation- cost is approximately 160 Brazilian Reias each way.**

Travel to Brazil from the United States requires a tourist visa: however if you have a non-US passport (for those who have dual citizenship) you may not be required to obtain a tourist visa. Please check with your local Brazilian Consulate for visa requirements and processing fees. If there is no Consulate in your area you may use a visa service. I recommend Travel Visa Pro: Our contact is Mr. Kestutis Gregeris and you can email or call him toll free (888) 470-8472 ext. 712, if you are in San Francisco area his direct line is (415) 200-4561, and his email is kestutis@travelvisapro.com. One you receive our application packet for the tour, it will include information on how to apply for the tourist visa- also a copy of the visa form. Travel Visa Pro offers expedited service, a visa in 3-4 days, at an additional fee- their normal fee is for a visa obtained within the normal 7-10 business day range. **Remember that should you chose to use Travel Visa Pro you still MUST APPLY FOR VISA online with the Brazilian Consulate in your area.**

For those travelers who would like a chance to rest before the two-week tours begin and avoid crowds in Sao Paulo airport on Monday mornings, we can arrange for you to arrive a day early (Sunday) and spend the night at a Five-star hotel in Brasilia, The Naoum Plaza. My groups receive a discounted rate of \$75USD that includes a lovely buffet breakfast Monday morning. If you choose this option, you will take cab from Brasilia airport (10 minutes) to the hotel (about 45 Brazilian Reias) and I will make arrangements to pick you up from the hotel on Monday morning when the tour begins. I will email you a reservation number for the hotel and you will pay them directly with a credit card. If you choose to arrive early, please be sure to inform your travel agent that you will be arriving in Brasilia on Sunday (leaving the US on Saturday).

My website is quite informative and has some good photos of recent tours. Please email or call should you require additional information. To book a tour, simply email Rosa with a "Confirmation Email" and she will email the application and work with you throughout the entire process.

I was asked by John of God to be his personal caretaker and translator during his first healing trip to the United States in April 2006, a role I had filled once before when John of God traveled to Washington DC as an emissary for peace in 2003. In 2006 I was asked to be his liaison for future healing tours to North America and in October 2007, I arranged for him to come to the Omega Institute in Rhinebeck, New York. I am pleased

to announce that I have secured another healing tour at Omega in the Fall of 2010. (For details and registration visit www.eomega.org) It has been an honor to travel with him as a translator for the Entities and it is a privilege for me to serve as your caretaker on this journey: creating a sacred space, attending to your needs in every way possible so you can focus fully on your spiritual and physical healing.

Sincerely,
Heather
